Subject : Supply and implementation of RF/FO repeaters

Kontron Transportation France hereby confirm that since 2012, SELECOM CRITICAL COMMS have been supplying and commissioning RF/RF or RF/FO repeaters, to extend the GSM-R coverage of the GSMR network of our customer Irish Rail (Ireland).

Kontron Transportation France have been very satisfied by SELECOM CRITICAL COMMS products and services for many years and recognize its strong professionalism capacity and reactivity.

Fabrice Gouhier
